PEARSON FELLOWSHIP
DIRECTORY

RÉPERTOIRE DES
BOURSIERS PEARSON
The Pearson Fellowship Program was initiated in 1976 for young public servants in developing countries so that they might pursue their professional interests in Canada.

All Fellows are listed under the name of their native countries which are grouped under the appropriate IDRC regional office. The listings are complete and accurate to the extent that the Fellows have kept the Fellowships and Awards Division (FAD) informed of their current status and address. To correct listings, please send the enclosed form (page 23) to FAD at the IDRC Head Office in Ottawa.

This directory is for the exclusive use of the Pearson Fellows and IDRC staff. Commercial use of the listings is prohibited. Any exceptions to these limitations must be obtained, in advance and in writing, from IDRC.

J. Allan Rix
Director
Fellowships and Awards Division
July 1985

Le Programme des bourses Pearson s'adresse depuis 1976 à de jeunes fonctionnaires de pays en développement afin de leur permettre d'améliorer leurs compétences professionnelles au Canada.

Les noms des boursiers sont classés selon leur pays d'origine et les régions desservies par les bureaux régionaux du CRDI. Ce répertoire est complet et exact, dans la mesure où les boursiers ont bien voulu informer la Division des bourses (DB) de tout changement de poste ou d'adresse. Pour toute correction, prière de faire parvenir le formulaire (page 23) à la DB, au siège social du CRDI à Ottawa.

Ce répertoire est réservé exclusivement aux boursiers Pearson et au personnel du CRDI. Son utilisation, à des fins commerciales, est strictement interdit. On ne peut déroger de ces règles sans obtenir au préalable l'autorisation écrite du CRDI.
