## MEL Quarterly Report

---

MEL Report 31 March 2019

Covering period: 1 June 2018 – 28 February 2019

IDRC Contract 108754-001

SSN, South Africa

FFLA, Ecuador

ICLEI South Asia, India

ODI, UK

## KPI Target Summary Table

Key performance indicators	Africa		Asia		Latin America		Global		PROGRAMME	
	June 2018 – March 2019	Midterm target	June 2018 – March 2019	Midterm target	June 2018 – March 2019	Midterm target	June 2018 – March 2019	Midterm target	June 2018 – March 2019	Midterm target
<b>OBJECTIVE 1: Increasing the accessibility and relevance of knowledge (Knowledge Synthesis)</b>										
1.1.1 Number of knowledge products and tools produced or adapted	Programme target only								39	25
1.1.2 Percentage of survey responses rating a sample of knowledge products and tools as useful or better - by a diverse range of key actors (disaggregated by product type)	Programme target only								No survey undertaken	80%
<b>OBJECTIVE 2: Uptake, use and impact of knowledge</b>										

Key performance indicators	Africa		Asia		Latin America		Global		PROGRAMME	
1.2.1 Percentage of knowledge products and tools promoted through CDKN digital channels (disaggregated by GSE content, product type and channel)	Programme target only								100%	75%
1.3.1 Number of engagement activities targeting key actors (disaggregated by GSE content)	0	3	2 <sup>1</sup>	3	0	3	3 <sup>2</sup>	6	7	16
1.3.2 Number of individuals attending engagement activities (disaggregated by gender, country and key actor type)	0	n/a	116 (31 women)	n/a	Not measured	n/a	132	Not measured	598 (minimum 131 women <sup>3</sup> )	No target
1.3.3 Percentage of participants rating engagement activities as									No participants questioned	75%

<sup>1</sup> CDKN launch India, CDKN launch Bangladesh

<sup>2</sup> CDKN launch at Adaptation Futures, COP 24 events, Gobeshona workshop

<sup>3</sup> Number of female participants was only counted for 4 of the events

useful									
<b>Objective 3: Enhancing leadership and collaboration</b>									
1.4.1 Number of peer-learning activities organised by CDKN (disaggregated by activity type, country and gender)	Programme target							0	4
1.4.2 Number and percentage of participants rating learning activities as useful (disaggregated by gender and country)	n/a							n/a	75%
<b>Short-term outcome: accessibility and awareness</b>									
2.1.1 Percentage of survey respondents reporting occasional or regular access to CDKN's knowledge products (disaggregated by gender, country and stakeholder type)	Programme target							No survey conducted during the period	40%
2.1.2 Number and description of mentions of	Programme target							4	No target

CDKN knowledge products in selected regional and global platforms, other online sources and social media (disaggregated by type of mention and GSE content)										
<b>Short-term outcome: Collaboration</b>										
2.2.1 Percentage of participants of peer-learning activities reporting intentions to interact or actual interactions with peers after the activity, for the purpose of learning (disaggregated by gender, country and stakeholder type)									No peer learning activities during the reporting period	<b>50%</b>
<b>Medium-term outcome: Request and apply</b>										
2.3.1 Number and description of requests from key actors for knowledge products, collaboration and/or		3		3		3		6	16 <sup>4</sup>	<b>15</b>

<sup>4</sup> Requests are currently being input retrospectively, the number for this period may thus change.

events from CDKN to support their work (disaggregated by type of actor, GSE content, country, type of request)										
2.3.2 Number and description of cases where key actors share, adapt or apply CDKN-managed and brokered knowledge and tools to inform / influence / improve / invest in gender-responsive and socially-equitable climate action (disaggregated by GSE content)	Cases to be identified at the Mid-Term Review	1	Cases to be identified at the Mid-Term Review	1	Cases to be identified at the Mid-Term Review	1	Cases to be identified at the Mid-Term Review	No target	Cases to be identified at the Mid-Term Review	<b>3 draft cases</b>
<b>Medium-term outcome: Enhanced capability to implement or influence</b>										
2.4.1 Number and description of cases of key actors demonstrating enhanced capability to implement or influence gender-responsive and socially-equitable climate actions, with a plausible	Cases to be identified at the Mid-Term Review	1	Cases to be identified at the Mid-Term Review	1	Cases to be identified at the Mid-Term Review	1	Cases to be identified at the Mid-Term Review	No target		<b>Cases to be identified at the Mid-Term Review</b>

contribution from CDKN										
<b>Long-term outcome: implementation of gender-responsive and socially-equitable climate actions</b>										
3.1.1 Number and description of cases illustrating progress on implementation of gender-responsive and socially-equitable climate change actions with a plausible contribution from CDKN	Cases to be identified at the Mid-Term Review	0	Cases to be identified at the Mid-Term Review	0	Cases to be identified at the Mid-Term Review	0	Cases to be identified at the Mid-Term Review	0		<b>Cases to be identified at the Mid-Term Review</b>
