OF THE
CURRENT AWARENESS BIBLIOGRAPHY
FOR
IDRC-SUPPORTED FISHERIES PROJECTS

Cum. Index to
Vol. 3 (1979)

Compiled by
Zosia Szpakowska
March 1983

Preface

This *Cumulative Index* is the first in a series which will facilitate manual searching of the *Current Awareness Bibliography for IDRC-Supported Fisheries Projects*, Volumes 3 to 6. Each Index will cumulate one volume using: Personal Author-, Corporate Author-, Taxonomic- and Subject Indexes. These Indexes will appear irregularly.

A *Cumulative Index* to Volumes 1 and 2 (comprising Vol. 1(1), 1(2), 1(3) and 2(1)) will be the next to appear. Because Volumes 1 and 2 did not use the numbering system for references, this *Index* will have a different format from the others.

Please send all your comments and suggestions to:
